# RENTAL / EVENTS

## Studio Equipment:

All Studios are equipped for songwriting, with Studio 1 being fully equipped. Additional equipment for Studios 2-5 can be requested in advance. Certain items, such as rare vintage microphones, are available for rent. All Studios have air condition.

## Film and Photoshoots:

We are available for such requests, though higher day rates apply for image rights. Please communicate your booking intentions clearly in advance. Prices vary depending on the content of the images, with commercial campaigns being more expensive.

## Beverages and Catering:

Basic beverages are provided. Excessive consumption will be charged accordingly, so we recommend pre-booking. We also offer snack packages. Warm catering is available upon request, including vegetarian or vegan options.
